

## MURRY GOLF TOURNAMENT RAISES \$15,000 FOR MILAGRO HOUSE!

3.22.14

At its September, 2013 Golf Outing, Murry Communities, Ltd raised \$15,000 for Milagro House, a Lancaster-based not-for-profit organization that provides education, housing, and counseling for women and their children experiencing homelessness. The money was contributed by Customers, Vendors, and employees of Murry Communities.

In addition to education, Milagro House provides intensive case management, counseling, and life skills training and requires all women accepted into its program to continue pursuing their education. Milagro House accepts no government funding but raises its needed operational dollars through support from the Lancaster Community.

Pictured here are Bill Murry, President of Murry Communities, and Gail Rittenhouse, Executive Director of Milagro House.
